### To Mars and Beyond VBS

Blast off with the first VBS to land on Mars! Kids become Voyagers on a journey through space, exploring where God's power can take them. They'll lift off to distant planets on special missions to collect power sources. Along the way, they'll learn how God walked with heroes of the Bible, and that God is always with them. During the adventure they will enjoy out-of-this-world fun games, crafts, science, music and timeless Bible stories that inspire kids to give glory to God, who is able to do far beyond all that we could ask or imagine! We are now open for pre-registration! Form available in the narthex. To Mars and Beyond Vacation Bible School is for children starting Pre-K 4 to 5th grade and rising 6<sup>th</sup> graders. Students entering the 7<sup>th</sup> grade can register as helpers. VBS is Monday through Friday, July 22 – July 26, 2019 from 8:45 a.m.- 12:00 p.m. **VBS Volunteers** are needed please contact Linda Meyer if you are able to help at [flwrsnt@bellsouth.net](mailto:flwrsnt@bellsouth.net) or call/text to 904-302-2156.

# Check It Out

## United Methodist Men

United Methodist Men's Meeting will be held on Saturday, June 1st at 8:30 am in the Christian Education Building. All men are welcome!

### Annual Conference

The Bishop's Offering for Annual Conference 2019 will be divided evenly between a restart of the FAMU Wesley Foundation in Tallahassee and planting a new church in Lowell Women's Prison in Reddick. **Lowell Correctional Institution:** The Florida Conference is joining a trend in the US by placing a United Methodist church inside a state prison. A pastor will be assigned to serve at Lowell Correctional Institution for women in Reddick, Florida. The idea to partner with Prison Congregations of America, a consulting group that helps denominations establish worshiping congregations in prisons, came after Bishop Carter heard about a church based in a prison in Tennessee. Currently there are 34 prison-based churches in the United States, including two UMC prison churches in Tennessee and Iowa. Conference officials chose Lowell because it houses the most women (3,054) in a correctional institution in the United States, including three on death row. **Impact at Florida A&M University Wesley Foundation:** Part of our vision for IMPACT@FAMU Wesley Foundation is to create a "home away from home" for our students, an office/pastoral care area for the Executive Director, and a place to worship, gather, learn, play, and pray for the FAMU campus at large. We call this space the IMPACT House, a spiritual Living & Learning Experience for our IMPACT FAMUly. The money collected via this offering will help to make this vision a reality. For more information, visit [famuwesley.com](http://famuwesley.com).

If you would like to make a donation please make your check payable to "Shoresumc" and mark "annual conference offering" in the memo section of the check.
